YOUR BUILDING PARTNER

COMPANY PROFILE

HOLLOW BLOCKS | SOLID BLOCKS | FIXER MORTAR | TILE MORTAR

CENTURY ZONE (PVT) LTD
MANUFACTURER & BRAND OWNER OF BISON
(YASHI HOLDINGS AFFLIVATED COMPANY)

ABOUT **CENTURY ZONE (PVT) LTD**

Century Zone (Pvt) Ltd is a Sri Lankan construction-materials company and the owner of the BISON™ brand, offering construction solutions for the growing building industry.

Under the **BISON** brand, the company focuses on manufacturing and supplying essential construction products including Hollow Blocks, Solid Blocks, Fixer Mortar, and Tile Mortar.

With a focus on quality, strength, reliability, and consistent performance, Century Zone aims to provide dependable construction materials for residential, commercial, industrial, and other building projects.

The company's products are supported by technical testing conducted by the Building Materials Research & Testing Division of the National Building Research Organisation (NBRO). The provided reports include testing of fly ash blocks for Sound / Heat / Fire testing / strength.

OUR **PRODUCTS**

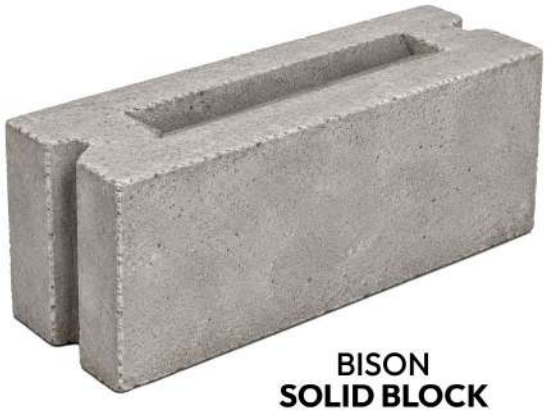

Under the BISON™ brand, Century Zone (Pvt) Ltd offers a range of construction materials designed to support modern building and finishing requirements.

BISON **HOLLOW BLOCK**

Efficient Construction. Reliable Performance.
BISON Hollow Blocks are manufactured by Century Zone (Pvt) Ltd as a practical masonry solution for modern construction. Designed for efficient wall construction, the blocks are suitable for residential, commercial, industrial and general building applications.
With a focus on consistent dimensions, reliable performance and practical handling, BISON Hollow Blocks are developed to support efficient and quality construction.

KEY FEATURES

Low Water Absorption
Uniform Shape & Smooth Finish
Eco-Friendly Construction
Thermal & Acoustic Insulation
All-Weather Resistance
Heat Resistance
Fire Proof
Weather Proof
Sound Proof
Consistent Quality
Efficient Construction
Easy Handling
Reliable Performance
Versatile Application
Cost Effective

Lightweight – Significantly reduces the dead load on building structures.

HOLLOW BLO

BISON **SOLID BLOCK**

BISON Solid Blocks are manufactured by Century Zone (Pvt) Ltd as a dependable masonry solution for residential, commercial, industrial and general construction applications. BISON block products have been subjected to technical testing through the Building Materials Research & Testing Division of the National Building Research Organisation (NBRO). A 2024 test report for fly ash blocks references BS EN 771-3 and includes evaluation of dimensions, crushing strength, water absorption due to capillary action and gross density.

LID BLOCK

BISON **FIXER MORTAR**

BISON Fixer Mortar is a construction-material solution developed by Century Zone (Pvt) Ltd for masonry and block-laying applications. It is designed to provide a consistent and practical bonding solution for construction professionals.

KEY FEATURES

Strong Bonding
Easy Application
Consistent Workability
Efficient Construction
Reliable Quality

BISON TILE MORTAR

BISON Tile Mortar is a construction material solution developed by Century Zone (Pvt) Ltd for tile installation applications. It is designed to provide a practical and consistent bonding solution for modern flooring and wall finishing work.

KEY FEATURES

Strong Adhesion
Easy Application
Consistent Performance
Smooth Finish
